

RADIOISOTOPE LIFE SCIENCES

## RLS Values

### **Nurture Respect**

Foster honest communications at every turn to support successful relationships

### **Promote Diversity**

Champion diversity of thought, culture, background and perspective so that every employee can thrive as their authentic self

### **Drive Compliance**

Practice integrity, transparency and safety to deliver exceptional quality

### **Accelerate Growth**

Commit to substantial investment on our path to becoming the leading radiopharmacy network through innovative technology, deepening customer relationships and employee development

### **Exemplify Excellence**

Consistently deliver outstanding performance and accountability in all aspects of our organization by challenging the status quo in ourselves and in our industry
