Practice an Order

1. For demonstration purposes, go to the link below to try out our sandbox pharmacy to **practice placing an order**:
2. <https://rlssandbox.timetap.com>

The screenshot shows a web browser window with the URL dbox.timetap.com/#/. The browser's address bar and tabs are visible at the top. The main content area features the RLS Radiopharmacies logo, which consists of a stylized atom symbol in gold and the text "RLS" in large blue letters, with "RADIOPHARMACIES" in smaller blue letters below it. To the right of the logo are "Login" and "Register" buttons. Below the logo, there is a section titled "RLS Sandbox" with a "Welcome" message. A blue arrow points from the URL in the list above to the "RLS Sandbox" section. The welcome message includes a paragraph: "Thanks for visiting our web scheduler to make an appointment with us! Click through the screens on the right to reserve a time to meet with RLS. We look forward to servicing you soon!" and a section titled "Additional Info:" with the text: "Managing your own appointments and need some help? Read the how-to guides on:". Below the welcome message is a large graphic featuring the RLS atom logo and the letters "D I C" in blue.

Rescheduling or Cancelling an Order

CHANGE

LOADING...

Rescheduling an Order

- If at any point you need to reschedule an appointment there are a couple of ways to do that:
 - First you can **click on the reschedule button on the confirmation email** sent to the email address on the account
 - You are also able to reschedule a patient by **clicking on the magnifying glass button next to the appointment when viewing your Upcoming Appointments** under the View Appointments button on the home page
- **Choose a different day and time.**
- Once the new time slot has been saved a **confirmation will show up** on the screen similarly to the confirmation of the first appointment that was made with the new date and time shown.

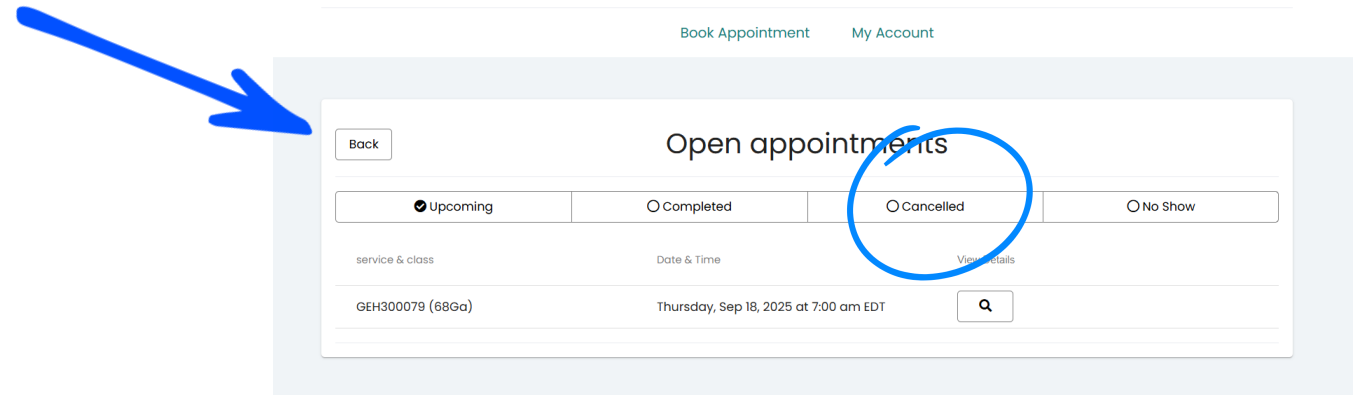

Rescheduling an Order

Things to know:

- By clicking the reschedule button it will **save all of the appointment details** (patient name, and comments) that were input in the initial making of the appointment.
- The reschedule window for an appointment will **close 12 hours prior** to the appointment time. Please call the pharmacy if you are within the window.

Cancelling an Order

- To cancel follow the same process as rescheduling except click on the **cancel function** instead of the reschedule button.
- A confirmation will be sent with the successful cancelling of an order.
- You can also confirm by looking under the cancelled tab under View Appointments.

Thank You
